

QUEENS PARK RESIDENTS' ASSOCIATION

NEWSLETTER – December 2006

Dear Resident,

As you are no doubt aware, the Residents' Association has been kept busy over the last month or so, meeting more regularly than ever on issues pressing for Queens Park. The most important issue facing us at the moment is the proposal to convert a local Care Home into a Hostel (the type of which we are not aware) in Clarence Avenue (where there is already one hostel)

Members of the Committee and other volunteers will have visited you recently, urging you to register your concerns with the Council prior to the Planning Meeting on December 21st, and we would like to take this opportunity to thank you all for taking the time to help us build a case against a development proposal which has attracted almost universal opposition from you. We will of course let you know the outcome of the Planning meeting as soon as we hear. In the meantime, we may undertake further activities to oppose the development, and ask you for your continued support.

Even amongst this there is time for fun and, as promised, we are holding our inaugural Christmas Party on December 15th (by the way the Hallowe'en Disco was better supported than ever before and a great night was enjoyed by all – Many thanks to all those who worked so hard before, and on, the night to make this event the success that it was)
