

QUEENS PARK RESIDENTS' ASSOCIATION

NEWSLETTER – December 2005/January 2006

Dear Resident,

Merry Christmas !!

and welcome to the Final newsletter of 2005, and news of some new initiatives, as well as appeals, from your local Residents' Association Committee

Residents' Association Website

We are planning to open a website in the New Year, advertising not only what we as an Association are up to, but also what's going on in and around the area. Suggestions for informative and interesting content are more than welcome. We'll be bringing further news on this early in 2006

Nominated Neighbour Scheme

A Project we'll be working on in 2006 – aimed especially at the less mobile of us. The scheme simply involves your nominating a neighbour/friend to check out unknown visitors to your house – you get a card to display (through the front window) which says something along the lines of - "I do not know you – please go to House No XXX". This initiative would be best instigated by individual Neighbourhood watch schemes – see below

Cold Callers

We would like to make the area a "No Go Zone" for cold callers, hawkers and the like. We will be working on this during 2006

Neighbourhood watch schemes

A successful scheme has been running for some 2 years in Clarence Avenue, and we would encourage other streets in the area to consider setting up as well. If you are interested, please contact Brian Burnett on 458280
