WHAT HAVE WE BEEN DOING SINCE THE CHRISTMAS BREAK?

**We now have a website!** Please visit us on [www.queensparkresidents.co.uk](http://www.queensparkresidents.co.uk) Included in this will be news of events, proposals for activities, links to other interesting sites, and an opportunity for local advertising. We would welcome founding sponsors for this site, and propose a nominal charge of £20 for this. Please contact Claire at [Claire@queensparkresidents.co.uk](mailto:Claire@queensparkresidents.co.uk) for more details

**AND yes it's them again,**

**WHEELIE BINS** – Despite numerous requests for a number of people to remove these from the pavements, we have now started receiving written complaints about the danger and inconvenience these cause. We would remind you that these items are your responsibility and that we will seek advice from the Council as to what enforcement measures may be invoked should you not remove these from the pavements and store them on your property/front gardens

**Also, as a reminder, forthcoming collections are as follows**

**Black bins (household waste) and plastics (blue box)** – March 6 & 20, April 3 & 17. May 1, 15, & 29
