WHAT HAVE WE BEEN DOING THIS SUMMER?

Street Clean-Up – Many thanks to all of those who gave up their own time on Sunday 18 September for our annual Clean Up. The whole area benefited from this and served as a reminder of just how pleasant an area it is we live in. Particularly pleasing was to see so many of our youngsters involved in the work. Thanks again.

Post Box – The Post Box outside Balmoral Supermarket has recently received a fresh coat of paint and new "Next Collection" inserts

Related Event – CHARITY AUCTION – Friday 25th November – **Auction of Sports Memorabilia** in aid of Queens Park Youth Football – Venue – Queens Park WMC

AND FINALLY,

WHEELIE BINS – In spite of actions taken by the Residents' Association, it would appear that these are here to stay. As this is the case we would kindly remind those of you who have these that they are your responsibility, and that they should be stored on your property, rather than on the pavements where they cause an obstacle to the very young, the elderly, and anybody else for that matter!

If you would like smaller/bigger wheelie bins or have yours removed altogether (remember you will have to dispose of your rubbish yourself as black bags are no longer collected), please call **01604 837837**, or e-mail to ***enquiries@northampton.gov.uk***

A CALL FOR HELP – Whilst there is work going on all the time behind the scenes, we always welcome new blood, and would be keen to welcome anyone interested in taking an active role in the Association

Notice of future meetings

All residents are, of course, welcome to attend the Committee Meetings, which are held on the second Wednesday of every month at 8.00pm in Queens Park Working Man's Club
